

Active Safety Solutions

Nirvana is more than best-in-class insurance that rewards you for safe driving. We partner with you to help you achieve your biggest safety goals and control premiums for the long haul.

Our seasoned experts, cutting-edge software, and exclusive discounts can help you take your safety program to new heights.

Check safety scores monthly

The Safety Intelligence Platform is your home for safety monitoring across FMCSA and telematics data and provides personalized recommendations to help improve your scores. Monitor progress towards your goals at:

safety.nirvanatech.com →

Schedule training sessions with drivers

Use the Safety Platform to quickly identify drivers that may need coaching. Share recommendations for improving their driving behavior such as speeding or hard braking or even where they are having friction with DOT authorities.

Partner Perks

Leverage discounts on everything from tires and in-cab cameras to driver software with our network of preferred partners.
